HENDERSON ****

Las Vegas Hawaiian Civic Club, in collaboration with Oasis Auto Spa, LLC and Island Sushi hosted "Free Automatic Car Wash" at 3032 Candelaria Drive, Henderson (which is right behind Island Sushi) from 8 AM to 12 PM.

Dave Farris of Oasis Auto Spa LLC wanted to assist the Maui Relief effort by donating his company, time and ALOHA in this task.

Las Vegas Hawaiian Civic Club Officers and Members volunteered and collected "Donations" for the Maui Relief efforts through our platforms and network connections. But not too late to make donations on our website at www.lasvegashawaiiancivicclub.net

Island Sushi sold \$4.00 Spam Musubi's at this location, and donated the proceeds for this cause for Maui. We appreciate everyone's participation and kokua resulting in great results of collecting close to \$2,000!!

E Hele Mai Kakou "9th Island" let's continue to assist. Eo Maui!!

Mahalo to Dave Farris, Owner of Oasis Auto Spa for providing his facility for this very successful event!

Below are pictures of Dave with his girlfriend Julie and 'Ohana, along with Former Governor Sisolak and mahalo too for his generous donation and a mutual friend!
