## Hospitality Notification Procedure (Reviewed November 18, 2023)

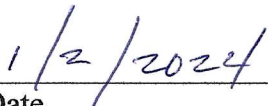

**PURPOSE:** In order for the Las Vegas Hawaiian Civic Club (LVHCC) to ensure LVHCC Members are receiving electronic or regular mail correspondence a notification procedure is required.

**PROCEDURE:** The following procedure will be used by the Hospitality Committee Chair and supporting committee members involved in Hospitality correspondence.

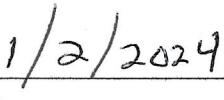

1. Prior to sending out notifications for birthdays, weddings, anniversaries, or to provide sympathy messages for those who are sick, in the hospital, may have had family members recently pass away, the Hospitality Chair, or designated representative, will notify the LVHCC Secretary one week prior to sending the e-correspondence out.
2. The LVHCC Secretary will send emails to the identified persons to alert them that such correspondence will be forthcoming, specific to electronic correspondence, what the correspondence email address will look like, and request the LVHCC email address be identified as not junk or spam. If regular mail is to be used, the Secretary will confirm the intended recipient's mailing address using the current Membership Roster. Once the Secretary has completed the notification, and confirmed the mailing address, the Hospitality Chair will be notified.
3. Upon notification by the Secretary, the Hospitality Chair will then send the notifications. Should emails be incorrect or returned, the Hospitality Chair will notify the Secretary who will research what the correct contact information is and then provide it to the Hospitality Chair for use.
