

## Island Sushi & Grill

Island Sushi & Grill is a locally owned, full service Hawaiian sushi restaurant. We provide the taste of aloha with Island-inspired sushi, ono Hawaiian plates such as Garlic Chicken and Loco Moco, fresh Poke – in bowls or by the pound, and authentic Hawaiian baked goods including fresh malassadas made all day. We provide an All You Can Eat sushi and Hawaiian specialty experience unlike any other in Las Vegas as well as a la carte options for dine in, takeout or delivery. We also cater so you can provide that taste of aloha to your own guests.
