

CareSource Nevada

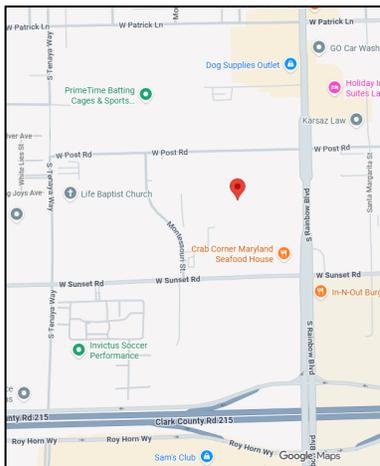

CareSource is a nonprofit, nationally recognized managed care organization with over 2 million members. CareSource administers one of the largest Medicaid managed care plans in the U.S. The organization offers health insurance, including Medicaid, Health Insurance Marketplace and Medicare products.

In Nevada, CareSource provides access to high-quality care for Nevada Medicaid and Nevada Check-Up-eligible residents of the Silver State. As a mission-driven organization, CareSource is transforming health care with innovative programs that address health-related social needs, prevention and access to care.
